

## WESTMINSTER-CANTERBURY COTTAGES

IN ASSOCIATION WITH DESIGN CONCEPTS

This project involved the construction of 36 new duplex and single family cottage homes in the retirement community of Westminster-Canterbury. Each residence features a fully equipped kitchen, spacious closets and a washer and dryer, as well as a patio, porch, carport and storage space. Security and nursing assistance is available 24 hours a day. Wood frame construction with brick, vinyl siding exterior, the homes are located along quiet, tree-lined streets in one of Lynchburg's finest neighborhoods.
